NEW BUSINESS

1. Agency Land Management: Purchase of Equipment
   Mr. Lengyel reported that goatherd Zachary Jessee has priced a second
   brush-cutter — to serve on the occasions when the first is down and/or to be
   available if the herd is split between the Vineyard and Chappaquiddick —
   which was planned for in the current budget. Cottage City Outdoor Power
   Equipment has one available at $4,899.99.

   After discussion and by a motion made and seconded, the Commission
   voted unanimously in a roll call vote to approve the expenditure.

2. Squibnocket Pond Reservation (Town of Aquinnah)
   The Commission reviewed notice received of applications filed by abutter
   CCS Sanctuary, LCC with (1.) the Aquinnah Board of Health for a variance
   from the town code as regards the separation between a leaching facility and
   wetlands; (2.) the Aquinnah Conservation Commission “to replace a single-
   family dwelling with associated site-work including utilities, septic system
   upgrade, new well, swimming pool [and] garage;” and (3.) the Aquinnah
   Planning Board Plan Review Committee for “the replacement and expansion
   of an existing dwelling, siting of a pool and garage, upgrade to existing
   utilities and associated site work where total footprint on the lot will exceed
   2000 square feet located within the Aquinnah DCPC, Moshup Trail DCPC
   and Coastal DCPC.”

   Discussion occurred as to (1.) the effect of an expansion here on the
   reservation, since the lot notches into it; (2.) nutrient loading in the abutting
   wetlands; and (3.) the likelihood that the lot could not be developed under
   contemporary standards such that, logically, an application to expand a
   nonconforming use should aim to reduce the development’s impact, not
   increase it. Mrs. Reimann asked to view the plan, which Mr. Lengyel tried to
   summon out of his computer files but was unable to do.

   After discussion and by a motion made and seconded, the Commission
   voted in a roll call vote six in favor, Mrs. Reimann opposed and none
   abstaining to direct staff to post an appropriate letter to the town expressing
   the land bank’s concerns.

3. Sweetened Water Preserve (Town of Edgartown)
   The Commission discussed the right-of-way that crosses this property. It
   was created to serve the three lots at the end of Llewellyn Way that pre-
existed at the time of the land bank’s purchase of the preserve. Since then, one of the owners purchased abutting acreage and resubdivided so that one of the three lots now includes the new acreage; the new acreage contains a building site and is currently being marketed.

The new acreage does not benefit from the right-of-way, which a prospective buyer may or may not know; counsel reports that posting a notice-to-prevent-acquisition-of-prescriptive easement will so alert buyers, via their conveyancing attorneys. After discussion and by a motion made and seconded, the Commission voted unanimously in a roll call vote to direct counsel to proceed. Staff will notify the landowner.

4. Agency Administration: Performance Evaluation
The Commission continued, from its May 2, 2022 meeting, its discussion of Mr. Lengyel’s annual performance review. Mrs. Goff reported that she will prepare a composite review and share it with him.

PUBLIC INPUT

1. Agency Administration: Public Input
Philip Cordella spoke to the staff’s reporting to the Commission of the agency’s finances. Eunki Seonwoo (Martha’s Vineyard Times) spoke to Mrs. Reimann’s vote on the Squibnocket Pond Reservation matter.

ENDORSEMENT OF THE WARRANT
The Commission endorsed Warrant no. 2022-42.

EXECUTIVE SESSION
By a motion made and seconded, the Commission voted unanimously in a roll call vote to enter executive session for the purpose of discussing the purchase, lease, exchange or value of real property. Mrs. Goff stated that the subjects to be discussed are the purchase or value of real property and declared that an open meeting may have a detrimental effect on the negotiating position of the Commission. She further announced that the Commission would not reconvene in regular session after the conclusion of the executive session. The Commission entered executive session at 3:26 pm.
